360 Trucking NEMT DBA 360 Trucking LLC

Proudly pledging service for nearly a decade in the transportation industry. 360 Trucking NEMT is committed to providing safe, reliable, courteous, and modernized service to all who require assistance with non-emergency medical transportation. 360 Trucking NEMT has formed a reputation, among its members for being the most trustworthy transportation company from a global sector. From commencement we became more than just a resource, but a partner to our members and community.

Our relationship with our members and community are the foundation of our business. We serve with compassion, dignity and respect in all we do. This is the reason more members trust 360 Trucking NEMT over other NEMT providers. Providing quality service has been our hallmark since our foundation. We offer a fleet of vehicles, with amenities to fit the level of transportation needs for each member

Past Performance

Drawing on the expertise of our seasoned cored staff, we have successfully transported thousands of members to and from hundreds of different medical facilities within the last past year. Below are just a few facilities we assisted.

- University Medical Center
- Ochsner Medical Center
- Children Hospital
- MD Anderson Cancer Center
- VA Hospital
- Baton Rouge General Medical Center
- University Medical Center
- DaVita dialysis
- Palmetto addiction Recovery
- Brentwood Hospital
- Beacon Behavior Hospital
